

## **HOW DO TENANT ACCOUNT NUMBERS WORK?**

**-ADDRESS NUMBER, UNIT NUMBER, LAST TWO NUMBERS IN THE MOVE IN YEAR AND THE LAST TWO NUMBERS IN THE MOVE IN MONTH.**

### **EXAMPLE**

Jack Suarez lives at 5471 Cambridge Avenue, he moved into unit 4 in March of 2005.

What is his account number?

If your answer was 547140503 then you're correct.

**The reason we make account numbers in this order is so they are never repeated.**
